How Will I Know When to Report?

Begin calling the toll-free telephone number (1-866-560-4756, press 1) the Friday before the first date indicated on the upper middle section of your summons after 4:30 PM. Please **DO NOT** report for jury duty until instructed to do so by the toll-free message. Please follow the reporting instructions for the duration of your term. What Can I Expect To Happen When I Report For Jury Selection?

When you arrive, you will first be checked in by the jury staff. A brief orientation will be provided, followed by the viewing of an informational video. Afterward, you will proceed to the courtroom for jury selection. Jury selection typically lasts one to three hours. If you are selected as a juror, please expect to remain until 5:00 PM, as the trial may begin immediately after jury selection. Otherwise, you will be released for the day upon completion of the jury selection process. Generally the Court will be in session from 8:30 AM to 5:00 PM.

How Do I Request An Excuse/Postpone/Partial Excuse?

The Court realizes that from time to time jurors may need to request an excuse for part of the period covered by a jury summons. The Court will make every effort to accommodate your request for a partial excuse. Please make all requests in writing by mail, fax or email to be excused within 5 days of receipt of the summons, or as early as possible. Once you have been instructed to report for jury service, you may not be excused unless there is an emergency or extenuating circumstances. If you know the dates you need to be excused, you should include them in a letter and return it along with the Juror Information Form.

You may also request a partial excuse by sending an e-mail to jury_FLND@flnd.uscourts.gov, or through the court's eJuror website
www.FLND.uscourts.gov/jurors.

How Long Will My Term As A Juror Last?

You will be "on call" for a one month period, **beginning on the 1st Monday of the month** and ending on the last day of the month in which you were summoned. The most likely dates you will be required to report for jury selection are printed on your summons. If you are selected for a jury, you will be told at that time when the trial will take place and how long it will last. We will give you as much advance notice of your actual reporting date as possible, but we may not know until shortly before the scheduled reporting date. **Cases are sometimes added to or removed from the schedule, and emergencies cause changes in the schedule**, so it is impossible to know in advance when you will be required to serve.

The court has a one-day or one-trial term of jury service. This means that a juror appears for only one day of jury selection and, if chosen, for only one trial. Once you appear, you are released from being "on call" for the rest of the month. If you are serving on a trial that lasts beyond the end of the month, you will be required to serve until the trial ends. Most trials last 3-5 days, but trials can last several weeks depending on the case.

What Should I Bring With Me?

- **Driver's license or another form of photo identification**
- **A sweater or light jacket**
- **Lunch (if you don't want to purchase it)**

Please **DO NOT** bring your cellular phone, kindles, iPhones, pager, tablets, BlackBerry, PDA, or laptop computer. These items are not permitted in the courtroom or jury room and will be taken from you upon entry into the courthouse.

How Do I Get To The Courthouse?
