DISCOVERY CONFERENCE ORDER NO. 7

The Court held a discovery conference call on February 22, 2017. This Order serves to memorialize the key topics of discussion during the call, including any agreements of counsel and orders of the Court.

The parties have continued to discuss various ESI and general causation matters addressed during the sixth Discovery Conference Call, including custodians, key search terms, an index, and production of the adverse event database. By noon on February 28, 2017, the parties should brief (in a joint filing, if possible) the status of these matters for the Court. Both the undersigned and Magistrate Judge Jones will hear these issues at the Case Management Conference on March 1, 2017.

Additionally, Plaintiffs requested to add additional members to the Joint Discovery Committee and the Joint Science and Expert Sub-Committee. Plaintiffs

were asked to file a motion by February 23, 2017, along with the CVs of the suggested members. The motion has been filed and is under advisement.

DONE and **ORDERED** on this 24th day of February, 2017.

M. Casey Rodgers
